

**MISSIONS** (EVERY DOLLAR THAT COMES IN GOES OUT)

Our church is changing the world, and some of our own missionaries and missions need financial support. We can't support everyone, but we have had a long-standing relationship with many missionaries and organizations that are deployed from Long Beach locally and all over the globe. The financial support these missions and missionaries receive from our church are completely dependent on your designated offerings. Please remember to mark your offering envelope accordingly so that your offerings will be directed to the people, projects or organizations you desire.

**This year you gave \$65,695 to missions** at home and abroad. \*The Careys & Bashores went off support last year & \*\*we added Higby, Maríns, Saito, Satos this year.
