**Week of June 17, 2018**

## Welcome

Let's get to know each other. You can use this question during your meal together.

1. \* What is an event in your life recently that had a significant impact, good or bad, on you?

## Worship

Let's enter the presence of God together.

*Songs led by worship leader or worship resource. Or read Romans 1:20. What attributes of God do you experience in what He has created? Praise Him for those things.*

## Word

Let's interact with God's Word...

Read Mark 1

2. In the series of events listed in Mark 1, what does Jesus mean when he says, "The Kingdom of God is near?" (v. 14-15)?
3. To "**repent**" means literally to change one's mind. 3 parts to repentance are: a. Observe, b. Reflect, and c. Discuss. How do you make honest observations about yourself? When we reflect we ask ourselves why we reacted as we did, why we feel as we do, why this event brought these particular emotions to the surface. What experiences have triggered the strongest reactions in your life?
4. "**Believing**", or faith, means taking action. 3 parts to believing are: a. Planning, b. Accountability and c. Action. For you personally what gets in the way of making a plan for change? What are the advantages to having a person to be accountable to? In what ways might accountability be uncomfortable? How hard is it for you to take action for change -especially if it means admitting you're wrong? Why?

## Witness

Let's focus on who we can reach out to.

5. Who is one person you can send a text to that needs some encouragement?
