Packing Instructions

All personal clothing and equipment must be plainly marked with the camper's name and packed in a suitcase or duffle bag. Attach a baggage tag to ALL bags. The church cannot assume responsibility for lost clothing or broken equipment.

We would like to suggest that you pack each days outfit (*i.e. shirt, shorts, socks, underwear*) in a Ziplock bag of which the camper takes out his/her clean clothes for the day and puts back his/her dirty clothes in the bag. It will make dressing easier and items will not get lost.

Please Note: It is easier for the child to work with a large suitcase, not an overstuffed small case. Also, please have your child help pack the suitcase so they know what they have.

PS: One activity will involve paint – please send an old T-shirt or a white shirt for your child to wear.
